**National Education Policy 2020**

**Implementation plan at Rayat-Bahra University in a Phased manner**

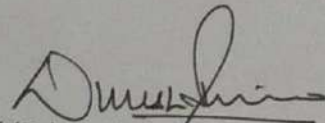

**Notification**

The National Education Policy 2020 states, "Assessments of educational approaches in undergraduate education that integrate the humanities and arts with Science, Technology, Engineering and Mathematics (STEAM) have consistently shown positive learning outcomes, including increased creativity and innovation, critical thinking and higher-order thinking capacities, problem-solving abilities, teamwork, communication skills, more in-depth learning and mastery of curricula across fields, increases in social and moral awareness, etc., besides general engagement and enjoyment of learning"

Rayat-Bahra University has initiated the implementation of NEP (2020) in a phased manner. NEP Implementation Core Committee has been constituted to look into the implementation of NEP in the following verticals:

1. New Student Centric Curriculum with Multiple entry and exit options RBU is facilitating multiple entry and exit options with UG certificate/ UG diploma/ or degree depending upon the number of credits secured for the academic session of 2023-2024 through the approval of academic council.
2. Undergraduate degree programmes of either 3 or 4-year duration, with multiple entry and exit points and re-entry options, with appropriate certifications as per UGC norms and guidelines.
3. UG certificate after completing 1 year (2 semesters) in the chosen fields of study.
4. UG diploma after 2 years (4 semesters) of study.
5. Bachelor's degree after a 3-year (6 semesters) programme of study.
6. 4-year Bachelor's degree (honours) after eight semesters programme of study. If the student completes a rigorous research project in their major area(s) of study in the 4th year of a Bachelor's degree (honours with research).
7. Multi-disciplinary approach. Adoption of flexible curricular structures in order to enable creative combinations of disciplinary areas for study in multidisciplinary contexts that would also allow flexibility in course options that would be on offer to students.

8. Multidisciplinary and holistic education across the sciences, social sciences, arts, humanities, and sports for a multidisciplinary world has been initiated to facilitate students.
9. Respect for diversity and respect for the local context in all curricula, pedagogy, and policy has been done.
10. Academic Bank of Credits: Registration of students on ABC portal has already begun. Students have been registered in all schools of RBU.
11. Regional languages & IKS (Indian Knowledge System) has been introduced. Mapping of courses in natural sciences, social sciences, humanities, engineering, agriculture have been done.
12. Internationalization of Higher Education: Under Twinning programmes Certificate, diploma and dual-degree programmes have been initiated in French, Spanish, Russian and German as per the ministry of Education and UGC guidelines.
